

“Making a Difference One Family At A Time”

October 17, 2008

Thanks to the generous contributions of many areas businesses who donated items and the approximately 200 individual supporters who attended the event, over \$25,000 was raised to assist with OHAAT’s “Beds for Kids” program, which provides mattresses and box springs to children in need. With the wholesale cost of a bed at \$118, the event proceeds will allow OHAAT to purchase over 200 beds for children in the counties OHAAT serves: Bucks, Montgomery and Philadelphia counties.

Everyone we spoke with had a wonderful time. We hope you enjoyed the evening as well!

Please mark your calendar and plan to join us next year on Saturday October 24, 2009. Our second annual silent auction, dinner dance fund-raiser will be held again at Congregation Beth Or.

The OHAAT truck will be making many deliveries in the coming weeks and many more children will be getting the good night’s sleep they deserve. OHAAT has a lot of work to do, but it’s worth it knowing that others can rest a little easier.

Thank you again from the bottom of our hearts!

Blessings,

Ken Barber
